MAYOR’S MESSAGE FALL 2018

Hello Citizens of Cibolo,
I hope summer has brought you time with the family, great Texas BBQ, and a little time to relax in the sun. Summer in Cibolo has brought us the pilot program geared to our area’s youth called “Cibolo Summer Nights” brought to you by our newly formed Cibolo Youth Alliance. This is a group of organizations including the YMCA, youth sports organizations, and our area businesses. Each Friday, we enjoyed a variety of activities such as Laser Tag, Fishing, Obstacle Courses, Dance Competitions, Kickball, and a good old fashion spray down from the Cibolo Fire Dept. We estimate that approximately 3,000 residents participated over a span of 8 weeks. If you were not able to attend, don’t worry, we will be organizing next year’s events and will keep you posted.

Next up, our City Council passed an ordinance allowing the formation of a History Committee. This will be comprised of citizens that will focus on capturing the history of our great city, uncovering hidden gems, locating and managing areas to display our history and also documenting the present happenings for our future Cibolians. If you are interested, please apply with the City Secretary Peggy Cimics.

Fall brings back to school and this year will be a busy one. There is a spike in commercial building such as Santikos and Faskin Oil Developments on IH35, new facilities and renovations downtown and other businesses that have chosen to call Cibolo their home. With development, there will be road construction such as the widening of FM 1103, the FM 1103 intersection at Main St, and a new parking lot facelift downtown. Please take a little extra time as needed and bear with us as we try to improve our City’s roads for the future.

We will have 4 council seats on the November ballot as well as a few bonds listed on the next page for consideration. Please make your wishes known by showing up at the polls. Again, I hope you had a great summer and we look forward to all our great city has to offer in the years to come.

If you have any questions or concerns, feel free to email me at mayor@cibolotx.gov or go to our new and improved website and take a look at what is going on in Cibolo, our “City of Choice”. Thank you for taking the time to read this newsletter and I would like to extend the most sincere thank you for allowing me the opportunity to serve as the Mayor of Cibolo.

Very Sincerely and Respectfully,

Stosh Boyle

City Manager's Message

Fall 2018

In the fiscal year 2018/19 budget, the City of Cibolo is preparing to fund, construct, equip, and staff a new fire station on city-owned property near the intersection of Weidner Road and FM 1103. Fire Station #3 is anticipated to provide service to approximately 11,000+ residents with an estimated 4-5 minute response time.

As indicated in this map, the neighboring subdivisions near the future fire station include Foxbrook, Turning Stone, Gatewood, Stonebrook, Cibolo Valley Ranch, Mesa at Turning Stone, Landmark Pointe, Heights of Cibolo, Saddle Creek Ranch, and Cibolo Vistas.

Denotes location of proposed Fire Station at Weidner Road and FM 1103

The City's goal is to phase in staffing, twelve professional firefighters in total, over a three year period.

City leaders are committed to adding these much needed public safety positions at a responsible pace. The Cibolo City Council agreed to fund four new firefighters and four new police officers within this year's budget.

Sincerely,

Robert T. Herrera

Robert T. Herrera
City Manager

Even as the year starts to wind down, work continues to speed along for the Cibolo Economic Development Corporation.

On behalf of EDC staff and board members, thank you to each one of our businesses who have chosen to call Cibolo home. The 2018 Cibolo Business Appreciation Luncheon on September 27 celebrated the 200+ businesses who help make Cibolo the City of Choice. Local business owner Jay Johnson of J2 Servant Leadership, LLC gave the keynote address to attendees on being leaders in the community. Again, thank you for all that you do!

EDC staff had a productive day at the 2018 Retail Live in Austin, Texas. This annual event puts together popular retailers with city officials and industry professionals to explore expansion opportunities in the region. The City of Cibolo was well-represented and will continue to follow-up with the contacts made. EDC Staff is now turning their attention to preparing for the 2019 ICSC Red River States Conference happening the first week of January 2019.

Small Business Saturday is coming up on November 24. This day celebrates small, local businesses across the nation, and in 2017, roughly 43% of Americans reported shopping or dining at local independently-owned businesses on Small Business Saturday. Last year was a great success and 2018 looks to be even bigger. Stop by the CEDC Small Business Saturday table located along Main Street in the Old Town District while you are out shopping for snacks, giveaways, and a chance to win prizes to your favorite local businesses.

Open and Opening Soon

- Bee Clean Car Wash, 2244 FM 3009
- Blue Wave Car Wash, 174 W Borgfeld Rd
- Crème de la Crème Massage, 2451 FM 1103 #137
- Cibolo Royal B Cutz Barbershop, 2451 FM 1103 #113
- Seal Master, 10692 IH 10 W
- Super Donuts, 2451 FM 1103 #145

Finally, starting October 1, 2018, a new round of funding is available for the Business Improvement Grant ("B.I.G.") Program. If you currently own or are looking to open a business in the Old Town District or along the FM 78 Corridor, you are eligible to apply for one of the small reimbursement grants. Contact the Cibolo EDC at economicdevelopment@cibolotx.gov or (210) 658-9900 for the application and guidelines.

Total Cost: \$1,000,000

Don't Feed the Deer – Protect Them!

The City of Cibolo is the "City of Choice" for deer too. We have a large deer population and a growing number of homes in the area. As Cibolo continues to develop and grow, the deer are looking for new habitats. In order to make sure the deer relocate to a safe space, we discourage feeding the deer. By giving them a food source, they are encouraged to live in developed areas and are likely to be injured or killed by traffic.

Feeding the deer food that they are not finding naturally can also be unhealthy for the animal. Some human foods can change the chemical make up of the waste left behind, and pollute our natural water ways.

If you love animals and enjoy keeping them safe, DO NOT FEED.

School Bus Awareness

Please be mindful of children loading or unloading from our local school buses.

It is illegal to pass a school bus that is loading or unloading when the lights are flashing red (unless the road is divided by a solid median or barrier).

National school bus safety week is October 16 – 20.

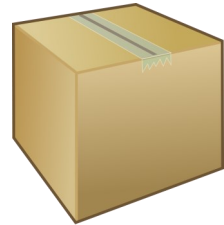

Online Ordering Safety

Please have a plan for receiving any items you purchase by phone or online.

Request packages be signed for or make arrangements for packages to be delivered to a friend's home you know will be home.

You can also set up a delivery site with your local postal package specialty store.

Child Safety Seats and Seat Belts

Be sure your little ones are secured properly going to and from school.

Don't let them get in the habit of unbuckling prior to being dropped off on campus and don't leave campus until they are buckled up.

October is Breast Cancer Awareness Month

City employees may be participating in a breast cancer awareness campaign by temporarily dying their hair pink to help promote awareness.

www.nationalbreastcancer.org/
Visit for more information about breast cancer.

CPD Events

NATIONAL NIGHT OUT

Tuesday, October 2nd, 2018

Come together as a block, subdivision or community to show that our communities are safe and caring places to live.

Election Season

You will be receiving an Election Newsletter. This publication will highlight all of the items on the City of Cibolo Ballot. Information about the Bonds, Charter Amendments, and District Council Seats will be enclosed.

Cibolo FD participated in the last night of Cibolo Summer Nights. Aug. 3, 2018

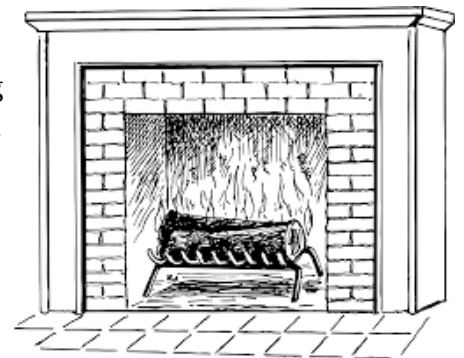

TIPS & TRICKS

With winter approaching, the number of heating related calls is rising.

Forecasts show this winter to be one for the record books and we want to make sure Cibolo is ready. Be sure to properly clean the fireplace and chimney before your first use of the season. If using a Dura-log, DO NOT BREAK IN PIECES. Dura-logs are designed to burn for a long time and have fuel imbedded in the log. When air gets into the log, the fire grows at a rapid rate, too fast and many times too large for an indoor fireplace. Wood and Dura-Logs do not mix.

Fried Turkeys when done properly are very tasty. Unfortunately, many people have failed at this cooking method. DO NOT PUT A FROZEN TURKEY IN HOT OIL. Water and oil do not mix. If a fire does break out, call 911. Grease fires can grow rapidly.

Your Utility Bill Date May Be Changing

Due to the growth of the City, we've decided to split our billing cycle. The following subdivisions will be effected:

- ⇒ Buffalo Crossing
- ⇒ Cibolo Valley Ranch
- ⇒ Stonebrook
- ⇒ Gatewood

Please be aware that beginning October 1, 2018 your Cibolo utility billing dates are changing
